

125.2 Office Shredder

Updated 125.2 L6

EPL Listed*

This professional data security device is the ideal central device for a mid-size busy office.

- Ideal for 5–7 person office in need of a centralized shredder.
- Auto start/stop via electronic eye.
- Reverse button for overfed paper.
- Auto stop and container full indicators.
- Hardened steel cutters can handle the occasional standard paper clips or staples (excluding level 6 high-security shredders).
- Powerful, specially adjusted motor for longer periods of use—with thermal protection for high performance.
- The tried-and-tested closed-tooth wheel drive prevents penetration of dirt and slows wear, increasing the service life.
- Enclosed housing protects against the spread of paper dust.
- Crosscut shredders should be oiled regularly to maintain top working condition.
- “JamStop Anti-Jam Technology” designed to easily and quickly reverse out paper in the event that the machine is overloaded
