

# 125.2FD High Security Paper Shredder

## New 125.2FD L6

### EPL Listed\*

***This professional data security device is the ideal device for deployment in the field.***

- Ideal for field deployable situations.
- Auto start/stop via electronic eye.
- Reverse button for overfed paper.
- Auto stop and container full indicators.
- Hardened solid steel cutting cylinders
- Powerful, specially adjusted motor for longer periods of use—with thermal protection for high performance.
- The tried-and-tested closed-tooth wheel drive prevents penetration of dirt and slows wear, increasing the service life.
- Enclosed housing protects against the spread of paper dust.
- High security shredders should be oiled regularly to maintain top working condition.
- “JamStop Anti-Jam Technology” designed to easily and quickly reverse out paper in the event that the machine is overloaded
